TRIP DETAILS

From our meeting place, we'll take you by bus to the river. During the day, you may want to carry sunscreen or a light jacket, and a hat. Before getting on the rafts, our Trip Manager will discuss the trip and answer last minute questions. Guides will be introduced and passengers instructed on paddling technique, safety and general procedures. Your rafting trip will end back at the River Place.

WHAT TO BRING

The Kern Valley is hot and dry in the summer months. **While on river, sneakers or river sandals are necessary to protect your feet.** It is often colder early in the season (April, May & early June) and you'll want to bring warmer jacket for those trips. We also rent wetsuits for anyone that may want to stay warmer.

- Sunscreen, lipbalm
- Sneakers to wear in boat
- Baseball cap or visor
- Water proof camera
- Swimsuit or shorts
- Sunglasses with safety strap
- Personal sized water bottle

Please do not bring firearms, pets, or personal lifevests. Our lifevests are approved for rafting and we require that they be worn.

PHOTOS OF YOUR TRIP

Kern River Tours will be on the river to capture your day of fun and excitement. A skilled photographer will take photos of you and your group as you travel down the Kern River. PARTICIPANT AGREEMENT, RELEASE AND ASSUMPTION OF RISK

In consideration of the services of Kern River Tours, Inc., their agents, owners, officers, volunteers, participants, employees, and all other persons or entities acting in any capacity on their behalf (hereinafter collectively referred to as "KRT"), I hereby agree to release, indemnify, and discharge KRT, on behalf of myself, my spouse, my children, my parents, my heirs, assigns, personal representative and estate as follows:

1. I acknowledge that my participation in river rafting activities entails known and unanticipated risks that could result in physical or emotional injury, paralysis, death, or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

The risks include, among other things: slipping and falling; accidental drowning; whitewater rapids will be encountered; collision with fixed or moveable objects or other watercraft; being jolted, jarred, bounce, and shaken about; contact with food boxes, other storage containers, or other fixed equipment necessary to the operation of the expedition and the outfitting of the raft; "washed" overboard resulting in having to swim rapids risking collision with rocks and entanglement in trees; damage to equipment or personal injury; exposure to temperature and weather extremes which could cause cold water shock, hypothermia, hyperthermia (heat related illnesses), heat exhaustion, sunburn, dehydration; exposure to sun, strong wind, cold, storms, large waves, eddies and whirlpools, and lightning; exposure to potentially dangerous wild animals, insect bites, and hazardous plant life; equipment failure; improper lifting or carrying; travel in remote areas with poor or no access to emergency and/or medical services; my own physical condition, and the physical exertion associated with this activity.

Furthermore, KRT employees have difficult jobs to perform. They seek safety, but they are not infallible. They might be unaware of a participant's fitness or abilities. They might misjudge the weather or other environmental conditions. They may give incomplete warnings or instructions, and the equipment being used might malfunction.

2. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in this activity is purely voluntary, and I elect to participate in spite of the risks. Additionally, I agree to wear a U.S. Coast Guard approved personal flotation device (life jacket) while participating in this activity.
3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless KRT from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of KRT's equipment or facilities, **including any such claims which allege negligent acts or omissions of KRT.**
4. Should KRT or anyone acting on their behalf, be required to incur attorney's fees and costs to enforce this agreement, I agree to indemnify and hold them harmless for all such fees and costs.
5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.
6. In the event that I file a lawsuit against KRT, I agree to do so solely in the state of California, and I further agree that the substantive law of that state shall apply in that action without regard to the conflict of law rules of that state. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining document shall remain in full force and effect.

By signing this document, I acknowledge that if anyone is hurt or property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against KRT on the basis of any claim from which I have released them herein.

I have had sufficient opportunity to read this entire document. I have read and understood it, and I agree to be bound by its terms. Please print clearly.
